

As we are making plans for our June horse show, we will be implementing certain safety measure to protect our competitors, spectators, and staff. Since we use horse shows online software all entries should be sent in online. The service is easy to use, and we receive your entry immediately. This means no one at the secretary office. By using this website, we can offer no contact entries. The new entry blank online will have the release on it for the rider and will include a Covid-19 waiver. Anyone at the horse show (even spectators) will need to sign a Covid-19 waiver. Waivers will be emailed to trainers as we receive your entries so that you may get them signed by everyone in you party in advance. We will also have waivers available at the show. Once they are signed please drop them in the box marked for them at the secretary building. You may pick up your number at the secretary office. You will receive a sanitized number in a plastic bag. Please discard your number after showing. Add or scratch entries can be made at the in gates. Only trainer and one parent at the ingate with the rider.

According to Governor Bill Lee's guidelines in his May 7, 2020 letter we can have spectators at the show if we practice social distancing of 10 or less in a group and groups are 6 feet apart. If you bring a tent, no more than 10 people to a tent and tents will need to be 6 feet apart. Seating in the ingate and waiting area will not be allowed. Face masks are highly recommended when not mounted and will be allowed in the show ring. There will be signs posted to help with our new normal as we try to safeguard from Covid-19. If you have concerns, please call me and I can explain some of the other measures we will be taking. I know that we may have to make changes as we try to figure out how this will work. If you have suggestions how we can make this better, please let me know. Entry fees: \$20/Class or \$55/Division. Stalls: \$30/Night. Fox Hollow Riding Academy 423-878-7433
